**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*
What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*
What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

The BCW Deck Vault is a padded faux leather outer shell with a micro-ridge exterior. The durable construction will keep your cards safe from damage and make sure your deck is ready for the next round.

Any card game works great in the BCW Deck Vault including Magic: The Gathering, Pokemon, YuGiOh, and Star Wars just to name a few. The size is perfect for MtG: Elder Dragon Highlander (EDH) decks, now known as Commander decks in addition to Legend of the Five Rings (L5R). Not only does it work great for card based games, but also dice games like Dicemaster and Star Wars Destiny. The BCW Deck Vault is a hearty option for storing and transporting your collectible gaming cards with dice and tokens. It is sure to impress and intimidate your weaker opponents.

BCW's Deck Vault LX - 100 is available in multiple colors:

The Combo Pack of 200 BCW Standard Card Top Loaders and Penny Sleeves is a practical solution for collectors, providing both protection and visibility for their card collections. Crafted from acid-free, crystal clear polypropylene, the penny sleeves prevent degradation during long-term storage. The toploaders, made from high-quality, rigid PVC, are recognized in the collectible card industry for their durability and effectiveness as a protective barrier, while also enhancing the display of cards.

This combination of penny sleeves and top loaders is a simple and convenient solution to protecting, storing, and displaying football cards, baseball cards, basketball cards, hockey cards, Magic the Gathering cards, Pokemon cards, YuGiOh cards, Disney Lorcana cards, and plenty of other CCGs.

These Card Sleeve and Top Loader Combo Packs come in two convenient sizes:
